Education

University of California, Berkeley

Class of 2023, Intended Computer Science

Experience

Feb 2019 - Present

Developer - Blueprint, Technology for Nonprofits

I am working pro-bono on a development team using React Native for front-end and Airtable for back-end for 1951 Coffee Company in creating an App that allows them to further connect with and assist the refugee community, furthering their mission.

September 2019 - Present

Executive Team — Girls Teaching Girls To Code

I took initiatives with partners, events, and mentors for the UC Berkeley chapter. I contacted companies to find sponsors for GTC and our events, assisted the events lead with handling the logistics, and reached out to the Berkeley community to find mentors for the attendees.

Sept 2018 - Mar 2019

Intern — Congressman Alan Lowenthal

I supported the Congressman and staff through attending legislative hearings and community meetings, writing briefs, conducting legislative research, drafting correspondence, and performing administrative tasks with case work and constituents.

Skills

Python, Java, JavaScript, Typescript, Figma, Visual Design, Product Design, SQL, React, Adobe Photoshop & Illustrator
